OFFICE-In the new Post Office Building, Merchant Street, Honolulu, H. L.

## Captain Jack in the Lava Bed.

Here will I stand, or here will I fall, In defence of the freedom I claim;

We will period together, one and all. For the roke of our autient fame. When your firefolders came, long years ago,

Over the occan's foun, When the Winter winne did forcely blow-

valley and kill were white with enou, By Serelethers gave them a home. I care not the story again to tell,

How you come on each billow that ruse and fell. Line the housts of Egypt, the plague of bell, To have covered our eccutry o'er

You talk of your country, and point to your flag And you call it the flag of the free; In a "floorting lie," -a deceitful rag;

Which mark me, yet to the dust shall drag, By others if not by me. To have dolon the lands we could never buy T'en this last refuge, burren and dry-

We are even this denied We have left behind us the leanting grounds Where we've followed the entland des ANT your cursed machines and their ruttling counds

May be hased o'er the accient burial mounds Which the Indian heart holds dear. We know that the Indian soon will en

Over the Squart Son; That his son has best its meridian glow---That it now in the west is staking low, Lan bet well known to me. But it ship I be wall the sun that has seen

The gierr of Indian braves, Small short at last his dving above helper have and there, at the white man's will,

Not allowed for a time to rest, From tall to builder, from builder to bill : More farsher on, and farther still," On you be the blame for the deeds we do. as behind those rocks we look;

What I we said the wide world knows is true Our Public in Beaven knows it too, Too have driven us to the work. Then here will we stand, or here we will fall;

I fed that the end is near; We are related of our country, our freedom, all; The Indian's life is bitter as gall; I have the Great Spirit will give us a place Where we shall forever be free;

The larger hautitu, grounds of our race, Beyond the Sunset Sea. - Shelten Ev'ng Herald.

## Variety.

The Boston Commercial Herald is responsible for the following :

The hatters have kept ahead. The gas-fitters will go in for light work.

Tailors say they mean to give their customers Batchers complain of being asked to work at

killing prices. Upholsterers complain that hangings have gone

Candie-makers urge that wick-ed work ought

to be well paid for. Painters complain that they have become lit-

end's bac-ers of wood. Bakers say they kneed more, and don't like to

The paper-makers say their business is such

that it brings them to rags.

to resist all ordinary shots.

Printers my they are tired, and can't "set up

any longer-that's what's the matter. Blacksmiths complain that all the forging is

done in Wall street, and there is no chance.

A labor strike is said to be pending. The curpenters say they don't get enough to pay their

Shoemakers, say it takes their awl to keep

them at work, and their sole dependence is often Boiler-makers over that Congress has kept the country in hot water to such a degree that they

Wheelwrights say that all the spokes-men in Congress voted more pay before retiring, and they

expect to do as well as their felloes. Each car of the company will be armed with three rifled cannon on each side, with experienced

A man of wit once asked a peasant what part he performed in the drama of life. "I mind

He was arrested and upon being threatened with incarceration in a mad-house, promised to return to the United States.

There appears to be a disposition on the part of the railway companies to take off their postal cars and refuse to carry the U.S. mails, because Congress refused to increase the compensation for that service. The Attorney-General thinks the Government has power to coerce the com-

The Scientific American commends onions as a specific against epidemics-not as an esculent, but sliced and kept in a sick-room, where they will absorb any atmospheric poison. They should be replaced by fresh ones every hour. In the room of a small-pox patient, they will blister and decompose rapidly, but will prevent the spread of

A bill allowing women to be elected school trustees, has passed both houses of the Illinois Importers and Commission Merchants Legislature, and there is no doubt it will be signed by the governor and become a law. The act makes women eligible to office under the general or any special school law of the State. If women are fit for teachers, why should they not make good school trustees?

Letters from London state that Wm. E. Gray. the notorious perpetrator of the Wull street forgeries to the amount of \$300,000 in 1869, is probably one of the chief conspirators in the recent forgeries on the bank of England. Gray, it will be remembered, is a son of ex-Chaplin Gray, of the U. S. Senate, formerly beld office in Washington, and is one of the most expert forgers

The plan of carrying telegraph wires underground is objected to in view of the fact, among others, that the gutta-percha covering proposed for insulation is insufficient for that purpose. The action of moist earth and vegetable processes will be unfavorable. If, however, underground wires could be properly insulated it is thought that there would be a considerable saving of

The Postmistress at Villa Ridge, Ill., has resigned in order to get married. In her letter of resignation that she sent to the Postmaster-General, she remarked that she would rather have one man where she could lay her hands on him when she wanted him, than to be handling mailbags irregularly on a small salary, and getting sworn at by people who expected letters that

WHALE FIGHT .- A bloody rencontre occurred off Fernandina, Fla., recently, between a lot of whales from fifty to sixty feet in length, and a school of a smaller species of the same animal, oder tay I shoodet my brother-in-law in de known as the black flish. The latter for a time sustained the unequal contest, but the superior The word whisky is a corruption of the Celtic size and power of their adversaries drove them to ward " singe," or water-a verbal root which ap- take refuge in the shallow water of the harbor, where the whales were unable to follow. Many Thomas and other Celtic rivers; and "grog" is of the black fish, in their headlong flight ran on connected with the name of the British Admiral | the shoels, and the receding tide left them strand-Vermon. A sudor used to wear a grograin coat, ed high and dry. IS THE ORIGINAL AND ONLY GENUINE. E PUBLIC ARE CAUTIONED AGAINST I the unfounded statements frequently made, "that It be unfounded statements frequently made, "that the composition of CHLEODYNE is known to Chemists and the Medical profession." The fact is, Chlorodyne was discovered and invented by Dr. J. COLLIS BROWNE (ex Army Medical Staff), and so named by him, and it has baffled all attempts at analysis. vein by the first Chemists of the day. The method and secret of the preparation have never been published. It is obvious, therefore, that anything sold lished. It is obvious, therefore, that anything sold under the name, save Dr. J. COLLIS BROWNE'S CHLORODYNE, is a spurious imitation.

CAUTION.—Vice-Chancellor Sir W. P. Wood stated

of Chlorodyne.
REMEDIAL USES AND ACTION. REMEDIAL USES AND ACTION.

This invaluable remedy produces quiet, refreshing aleep, relieves pain, calms the system, restores the decarged functions, and stimulates healthy action of the secretions of the body, without cresting any of these unplaceant results attending the use of opinm. Old and young may take it at all hours and times when requisite. Thousands of persons testify to its marvellous good effects and wonderful cures, while medical men extol its virtues most extensively, using it in great quantities in the following discovers:—Choleca, Dysentery, Diarrhora, Colica, Coughs, Asthma, Rheumatian, Neuralgia, Whooping Cough, Gramp Hysteria, &c.

EXTRACTS FROM MEDICAL OPINIONS. Sugar and Moiasses - Crop 1873. EXTRACTS FROM MEDICAL OPINIONS.

EXTRACTS FROM MEDICAL OFINIONS.

The Bight Hon, Earl Russell communicated to the College of Physicisms, and J. T. Bevenport, that he had received information to the effect that the OMA remedy of any service in Cholera was CHLORODYNE.—See Lamey Dec. 31, 1894.

Dr. Lowe, Medical Missionary in India, reports (Dec., 1865), that in nearly every case of Cholera is which Br. J. COLLIS BROWNE'S CHLORODYNE was administered, the patient BROWNE'S CHLORODYNE was administrated, the patient recovered.

Extract from Medical Times, Jan 12, 1866.—"Chlorodyne is prescribed by source of authodox medical practitioners. Of course it would not this be alogalarly popular did it not a supply a want and fill a place."

Extract from the General Board of Health, London, as to its efficacy in Cholera.—"So strongly are we convinced of the immense value of this remedy, that we cannot toe forcibly urge the necessity of adopting it is all cases."

CAUTION.—None genome without the words "Dr. J. COLLIS BROWNE" on the Government Stamp. Overwhelming medical test immory accompanies each bottle.
